UNIVERSITY OF MARIBOR

Below is the institution's detailed performance by indicator and overall across the 46 subjects currently featured in the QS World University Rankings by Subject. It is very unusual for an institution to qualify for consideration in all 46 subjects. The table also includes rankings for the past two years where available, please note that 10 new subjects have been added across the past two years. Also please note that different numbers of institutions feature in the published tables in different subjects - the "Ranked / Scored" column denotes the number of institutions published vs the number considered in our analysis.

NOTES:

There are a different reasons why an institution may not have results in any given subject.

1. It may not offer a program
2. It may not have published a sufficient number of papers
3. It may not have attracted a minimum level of recognition through our surveys.
